### SUMC Community Garden Update

What happened so far?

In July we met and brainstormed with Town of Manchester garden expert Bettylou Sandy. Bettylou shared some great recommendations for how to start, grow, and maintain a garden for community benefit. We selected the location: south of the Sunrise Garden.

What's happening now?

The plan is to build three 4'x8' garden boxes this Fall to be ready for Spring planting. A plan for the maintenance and who will receive the produce is in process.

What can you do?

Donate materials, dollars, labor, or ideas. We need 2"x12"x8' lumber. We also need gutter, downspout, and barrel for rain harvesting (which Heidi could use now for the Sunrise Garden).

**Go and see:** we've marked the outline for three garden boxes just south of the Sunrise Garden.

Contact Jeff Kieft ([gjkieft@yahoo.com](mailto:gjkieft@yahoo.com)), Peter Tullson, Don Wilby, or Heidi Lyman with your ideas for how to best grow community with a garden.
